Allowable Subject Matter

1. Claims 27-33 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, neither anticipates nor renders obvious the following limitations as claimed:

[Claim 27]: An image pickup apparatus comprising "... a control unit for effecting control so that in case the display unit is on, while balance processing is performed on the second image data on the basis of first and second correction data, and in case the display unit is off, the white balance processing is performed on the second image data on the basis of not the first correction data but the second correction data" in combination with other claimed elements.

[Claim 33]: This is a method claim corresponding to apparatus claim 27

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
